

# **Topsfield Cable Television Advisory Committee**

## **November 3, 2010**

### Executive Summary

No official meeting. No quorum of members.

An agenda item was to discuss the possibility of a local video news program. A number of guests were invited. Ashley Morton is interested in producing a video series reporting on the Arts on the North Shore. Jim MacDougall produced the very successful Get Outside nature series. John Coulbourn has produced local videos in the past. Discussion focused on preparing a prototype program with 3 elements: the arts (Ashley), local nature (Topsfield) and local news (John). If this format is successful it might be offered to other local access groups. We will wait to see a prototype prepared by Ashley.

Meeting opened at 7:35 PM in Town Hall.
